11-2/GSWA/2022-2023/Pub./895

The draft of the notification, which the Goa State Wetland Authority (GSWA) proposes to issue in exercise of the powers conferred under rule 7 of the Wetlands (Conservation and Management) Rules, 2017, and section 25 read with sub-section (1) sub-section (3) of section 3 and section 23 of the Environment Protection Act, 1986, is hereby published for the information of the persons likely to be concerned or affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Official Gazette containing this notification are made available to the public;

Any person interested in making any objection or suggestion, on the proposals contained in the draft notification may forward the same in writing, for consideration of the Government of Goa within the period so specified to the Member Secretary, Goa State Biodiversity Board, Head of Nodal Agency, Goa State Wetland Authority, or at the email address ms-gswa.goa@gov.in

DRAFT NOTIFICATION

1. Whereas, there exists a water body known as Panchami Lake admeasuring an area of 9383 sq. mts. located in village Candepar of Ponda Taluka, South Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Panchami Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and Management) Rules 2017, the Department of Environment and Climate Change (DoE&CC) Government of Goa, through GSWA by engaging services of CSIR – NIO had prepared a Brief Document for identifying the Said Panchami Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 11th meeting of the GSWA recommended the Government of Goa to

notify the Said Panchami Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Hence this Draft Notification is issued by the Department of Environment and Climate Change (DoE&CC) Government of Goa in the exercise of powers conferred under Rule 7 of Wetland (Conservation & Management) Rules, 2017, is hereby published for the information of the public.

6. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

7. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

8. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of the State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, C/o Department of Environment and Climate Change (DoE&CC), O/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email—ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

9. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

10. The Goa State Wetland Authority and the Ministry of Environment, Forest and Climate Change shall monitor the enforcement of the provisions of this notification.

11. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

Schedule I: Location and Extent of Wetland and its Zone of Influence

1.1. Wetland

The Said Panchami Lake admeasuring an area of 9383 sq. mts., surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in sq. mts.
Ponda/Candepar	85	9383
Total		9383

1.2. Boundary of area already designated under provisions of other Acts and Rules

1.2 (a) Area designated under Indian Forest Act, 1927; Forest (Conservation) Act, 1980; State Forest Act and amendments thereof.

No area of the proposed wetland known as Said Panchami Lake falls under the above mentioned Act.

1.2 (b) Area designated under Wildlife (Protection) Act, 1972 and amendments thereof.

No area of the proposed wetland known as Said Panchami Lake falls under the above mentioned Act.

1.2 (c) Area designated under the Coastal Regulation Zone Notification, 2011 and amendments thereof.

No area of the proposed wetland known as Said Panchami Lake falls under the above mentioned Act.

1.3. Zone of influence:

The Zone of influence of the Said Panchami Lake admeasuring 81384 sq. mts., includes 50m buffer and the properties surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub – Div. No.	Approximate Area in Sq. Mts.
Ponda/Candepar	Buffer Zone	
	79(P)	2935
	80(P)	9595
	84/1	10664
	86/1	250
	86/2 – A	3780
	196(P)	395
	Nalla (P)	1216
	Total	28835
	Zone of Influence	
	79(P)	275
	80 (P)	4540
	83 (P)	24970
	84/1	8436
	84/2	7700
	86/2	1522
	196 (P)	4050
	Nalla(P)	1056
	Total	52549
	Grand Total	81384

The map of the wetland boundary of the Said Panchami Lake with the Zone of influence is at Annexure I. (For an enlarged map to scale kindly visit <https://gswa.goa.gov.in/>)

1.4. For the purpose of this wetland known as the Said Panchami Lake the same is located within the Revenue village of Candepar.

1.5. For the purpose of this wetland known as the Said Panchami Lake the Zone of Influence is located within the Revenue village of Candepar.

Schedule II: List of activities prohibited within wetland boundary

1. Conversion for non-wetland uses including encroachment of any kind;
2. Setting up of any industry and expansion of existing industries; with the exception of modernization of existing industries which will not affect the ecological balance of the wetland under consideration.
3. Manufacture and/or handling and/or storage and/or disposal of construction and demolition waste covered under the Construction and Demolition Waste Management Rules, 2016; hazardous substances covered under the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 or the Rules for Manufacture, Use, Import, Export and Storage of Hazardous Micro-organisms Genetically engineered organisms or cells, 1989 or the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008; Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016; electronic waste covered under the E-Waste (Management) Rules, 2016; and other acts and rules as notified by Central Government and State Government applicable to wetlands.

4. Solid waste dumping and plastic waste dumping covered under Municipal Solid Waste Management Rules, 2016;

5. Discharge of untreated wastes, chemical fertilizers, pesticides, effluents and any other chemicals effecting the ecological character of the wetland from industries, cities, towns, villages and any other human settlements and/or activities;

6. Any construction of a permanent nature except for boat jetties within fifty meters (demarcated as a buffer zone on Annexure – I) from the mean high flood level observed in the past ten years calculated from the date of commencement of these rules; and,

7. Poaching and illegal hunting covered Wildlife (Protection) Act, 1972 and amendments thereof;

8. Extraction of soil, mud, rock and sand for commercial purposes.

[Any other activity other than mentioned above if taken up in the surrounding area that will have a direct or an indirect adverse effect on the ecological character of the wetland including water quality the same shall be prohibited.]

Schedule III: List of activities regulated within the boundary of wetland and its zone of influence and for which prior approval of [State Government/UT Administration/MoEFCC] is required to be obtained

Activity	Restrictions	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Grazing and wallowing	Regulated	Permitted
Cultivation of crops	Prohibited within the wetland boundary	Existing traditional crop cultivation practices in the low-lying areas within the buffer will be allowed.
Plantation of trees	Prohibited	Planting indigenous trees Permitted in buffer and zone of influence, excluding water channel
Fishing	Only hook and line fishing Permitted within the wetland	Permitted

Approval of the GSWA shall be obtained for any other activity proposed to be conducted other than those mentioned above which may adversely affect the ecological character of the wetland.

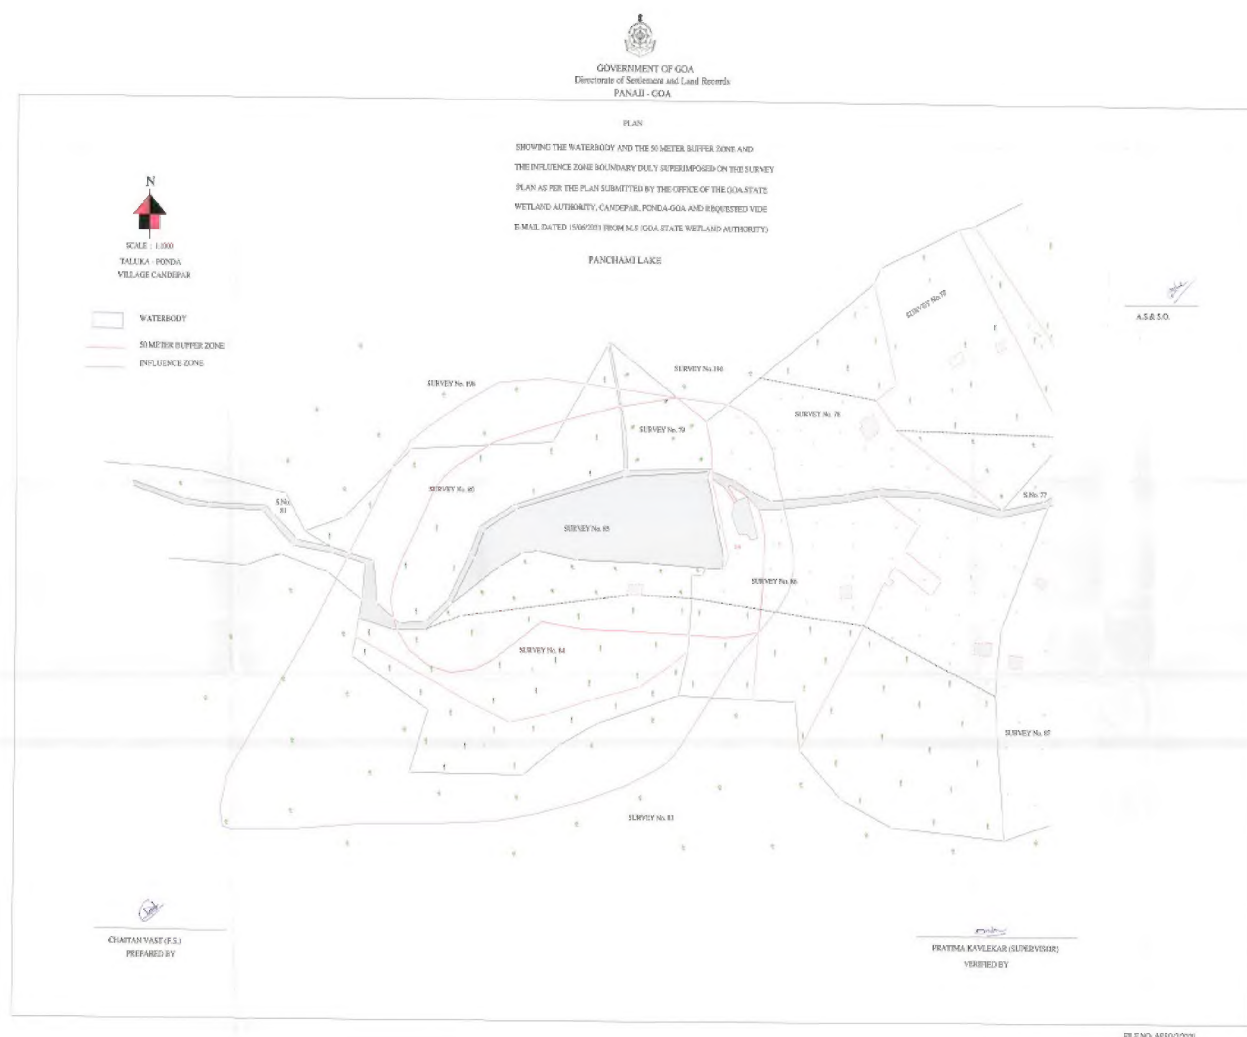

Schedule IV: List of activities permitted within the boundary of wetland and its zone of influence

Activity	Levels and types not requiring permission	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Withdrawal of water	Withdrawal of water by the community for irrigating and maintaining existing kulaghars and spice gardens by ensuring sustainable measures and without over-extraction subject to the approval of WRD and GSWA	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.
Religious practices	Existing religious practices will be allowed. Any activity that will adversely affect the ecological character of the wetland will not be allowed.	Permitted. Any activity that will adversely affect the ecological character of the wetland will not be allowed.

Fishing	Only hook and line fishing permitted within the wetland	Permitted
Preservation of this water body and maintaining quality of its significant catchment area especially no development zone, steep slopes and tree cover areas to ensure sustainability of this water body for future water security of local area	The boundary of the wetlands may be restored or stabilized using natural means so as to not disturb the ecological character of the water body	Permitted
Deciding best possible wise use of wetland without affecting or impacting its ecological character and services offered presently	Permitted	Permitted

Approval of the GSWA shall be taken for any other activity to be conducted other than those mentioned above.

Annexure I

11-2/GSWA/2022-2023/Pub./896

The draft of the notification, which the Goa State Wetland Authority (GSWA) proposes to issue in exercise of the powers conferred under rule 7 of the Wetlands (Conservation and Management) Rules, 2017, and section 25 read with sub-section (1) sub-section (3) of section 3 and section 23 of the Environment Protection Act, 1986, is hereby published for the information of the persons likely to be concerned or affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Official Gazette containing this notification are made available to the public;

Any person interested in making any objection or suggestion, on the proposals contained in the draft notification may forward the same in writing, for consideration of the Government of Goa within the period so specified to the Member Secretary, Goa State Biodiversity Board, Head of Nodal Agency, Goa State Wetland Authority, or at the email address ms-gswa.goa@gov.in

DRAFT NOTIFICATION

1. Whereas, there exists a water body known as Coneix (Conem) Lake admeasuring an area of 8950 sq. mts. located in village Priol of Ponda Taluka, South Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Coneix (Conem) Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and

Management) Rules, 2017, the Department of Environment and Climate Change (DoE&CC) Government of Goa, through GSWA by engaging services of CSIR – NIO had prepared a Brief Document for identifying the Said Coneix (Conem) Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 11th meeting of the GSWA recommended the Government of Goa to notify the Said Coneix (Conem) Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Hence this Draft Notification is issued by the Department of Environment and Climate Change (DoE&CC) Government of Goa in the exercise of powers conferred under Rule 7 of Wetland (Conservation & Management) Rules, 2017, is hereby published for the information of the public.

6. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

7. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

8. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of the State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, C/o Department of Environment and Climate Change (DoE&CC), O/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email-ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

9. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

10. The Goa State Wetland Authority and the Ministry of Environment, Forest, and Climate Change shall monitor the enforcement of the provisions of this notification.

11. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

Schedule I: Location and Extent of Wetland and its Zone of Influence

1.1. Wetland

The Said Coneix (Conem) Lake admeasuring an area of 8950 sq. mts., surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in sq. mts.
Ponda/Priol	273	8950
Total		8950

1.2. Boundary of area already designated under provisions of other Acts and Rules

1.2 (a) Area designated under Indian Forest Act, 1927; Forest (Conservation) Act, 1980; State Forest Act and amendments thereof.

No area of the proposed wetland known as Said Coneix (Conem) Lake falls under the above mentioned Act.

1.2 (b) Area designated under Wildlife (Protection) Act, 1972 and amendments thereof.

No area of the proposed wetland known as Said Coneix (Conem) Lake falls under the above mentioned Act.

1.2 (c) Area designated under the Coastal Regulation Zone Notification, 2011 and amendments thereof.

No area of the proposed wetland known as Said Coneix (Conem) Lake falls under the above mentioned Act.

1.3. Zone of influence:

The Zone of influence of the Said Coneix (Conem) Lake admeasuring 76963 sq. mts., includes 50m buffer and the properties surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in Sq. Mts.
Ponda/Priol	Buffer Zone	
	269(P)	2866
	270/2(P)	3249

The map of the wetland boundary of the Said Coneix Lake with the Zone of influence is at Annexure I. (For an enlarged map to scale kindly visit <https://gswa.goa.gov.in/>)

1.4. For the purpose of this wetland known as the Said Coneix (Conem) Lake the same is located within the Revenue village of Priol.

1.5. For the purpose of this wetland known as the Said Coneix (Conem) Lake the Zone of Influence is located within the Revenue village of Priol and Bandora.

Schedule II: List of activities prohibited within wetland boundary

1. Conversion for non-wetland uses including encroachment of any kind;
2. Setting up of any industry and expansion of existing industries; with the exception of modernization of existing industries which will not affect the ecological balance of the wetland under consideration.
3. Manufacture and/or handling and/or storage and/or disposal of construction and demolition waste covered under the Construction and Demolition Waste Management Rules, 2016; hazardous substances covered under the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 or the Rules for Manufacture, Use, Import, Export and Storage of Hazardous Micro-organisms Genetically engineered organisms or cells, 1989 or the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008; Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016; electronic waste covered under the E-Waste (Management) Rules, 2016; and other acts and rules as notified by Central Government and State Government applicable to wetlands.
4. Solid waste dumping and plastic waste dumping covered under Municipal Solid Waste Management Rules, 2016;
5. Discharge of untreated wastes, chemical fertilizers, pesticides, effluents and any other chemicals effecting the ecological character of the wetland from industries, cities, towns, villages and any other human settlements and/or activities;
6. Any construction of a permanent nature except for boat jetties within fifty meters (demarcated as a buffer zone on Annexure-I) from the mean high flood level observed in the past ten years calculated from the date of commencement of these rules; and,
7. Poaching and illegal hunting covered Wildlife (Protection) Act, 1972 and amendments thereof;
8. Extraction of soil, mud, rock and sand for commercial purposes.

[Any other activity other than mentioned above if taken up in the surrounding area that will have a direct or an indirect adverse effect on the ecological character of the wetland including water quality the same shall be prohibited.]

Schedule III: List of activities regulated within the boundary of wetland and its zone of influence and for which prior approval of [State Government/UT Administration/MoEFCC] is required to be obtained

Activity	Restrictions	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Grazing and wallowing	Regulated	Permitted
Cultivation of crops	Prohibited within the wetland boundary	Existing traditional crop cultivation practices in the low-lying areas within the buffer will be allowed.
Plantation of trees	Prohibited	Planting indigenous trees Permitted in buffer and zone of influence, excluding water channel

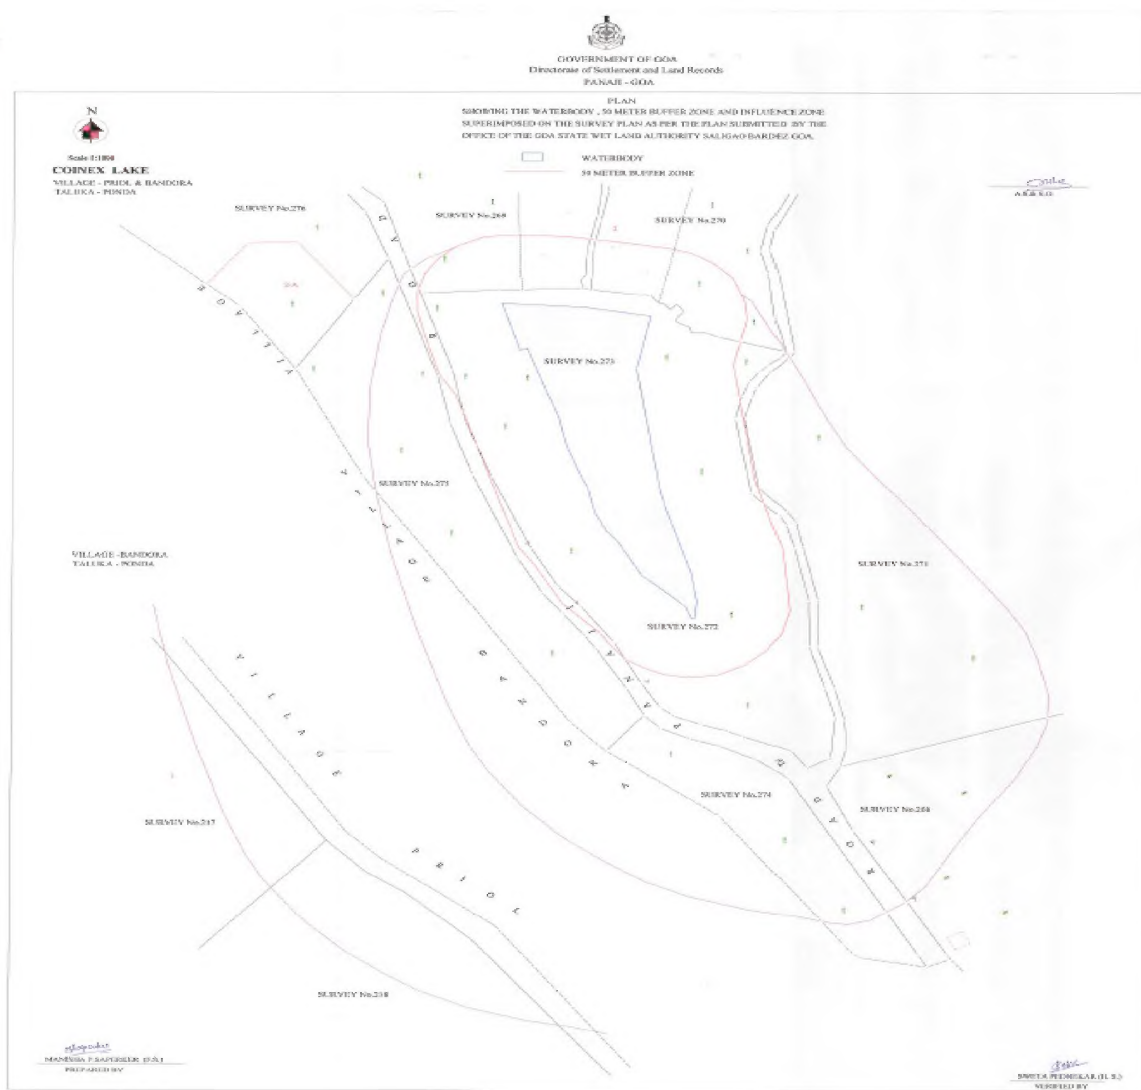

Approval of the GSWA shall be obtained for any other activity proposed to be conducted other than those mentioned above which may adversely affect the ecological character of the wetland.

Schedule IV: List of activities permitted within the boundary of wetland and its zone of influence

Activity	Levels and types not requiring permission	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Withdrawal of water	Withdrawal of water by the community by ensuring sustainable measures and without over-extraction subject to approval of WRD and GSWA	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.
Religious practices	Existing religious practices will be allowed. Any activity that will adversely affect the ecological character of the wetland will not be allowed.	Permitted. Any activity that will adversely affect the ecological character of the wetland will not be allowed.
Fishing	Only hook and line fishing permitted within the wetland	Permitted
Preservation of this water body and maintaining quality of its significant catchment area especially no development zone, steep slopes and tree cover areas to ensure sustainability of this water body for future water security of local area	The boundary of the wetlands may be restored or stabilized using natural means so as to not disturb the ecological character of the water body.	Permitted
Deciding best possible wise use of wetland without affecting or impacting its ecological character and services offered presently	Permitted	Permitted

Approval of the GSWA shall be taken for any other activity to be conducted other than those mentioned above.

Annexure I

11-2/GSWA/2022-2023/Pub./897

The draft of the notification, which the Goa State Wetland Authority (GSWA) proposes to issue in exercise of the powers conferred under rule 7 of the Wetlands (Conservation and Management) Rules, 2017, and section 25 read with sub-section (1) sub-section (3) of section 3 and section 23 of the Environment Protection Act, 1986, is hereby published for the information of the persons likely to be concerned or affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Official Gazette containing this notification are made available to the public;

Any person interested in making any objection or suggestion, on the proposals contained in the draft notification may forward the same in writing, for consideration of the Government of Goa within the period so specified to the Member Secretary, Goa State Biodiversity Board, Head of Nodal Agency, Goa State Wetland Authority, or at the email address msgswa.goa@gov.in

DRAFT NOTIFICATION

1. Whereas, there exists a water body known as Tarvalem Lake or Pagar tollem admeasuring an area of 46700 sq. mts. located in village Shiroda of Ponda Taluka, South Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Tarvalem Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and Management) Rules, 2017, the Department of Environment and Climate Change (DoE&CC) Government of Goa, through GSBB had prepared a Brief Document for identifying the Said Tarvalem Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 11th meeting of the GSWA recommended the Government of Goa to notify the Said Tarvalem Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Hence this Draft Notification is issued by the Department of Environment and Climate Change (DoE&CC) Government of Goa in the exercise of powers conferred under Rule 7 of Wetland (Conservation & Management) Rules, 2017, is hereby published for the information of public.

6. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

7. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

8. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, C/o Department of Environment and Climate Change (DoE&CC), O/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email-ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

9. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

10. The Goa State Wetland Authority and the Ministry of Environment, Forest, and Climate Change shall monitor the enforcement of the provisions of this notification.

11. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be

transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

Schedule I: Location and Extent of Wetland and its Zone of Influence

1.1. Wetland

The Said Tarvalem Lake admeasuring an area of 46700 sq. mts., surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in sq. mts.
Ponda/Shiroda	415/1	44500
	415/2	2200
Total		46700

1.2. Boundary of area already designated under provisions of other Acts and Rules

1.2 (a) Area designated under Indian Forest Act, 1927; Forest (Conservation) Act, 1980; State Forest Act and amendments thereof.

No area of the proposed wetland known as Said Tarvalem Lake falls under the above mentioned Act.

1.2 (b) Area designated under Wildlife (Protection) Act, 1972 and amendments thereof.

No area of the proposed wetland known as Said Tarvalem Lake falls under the above mentioned Act.

1.2 (c) Area designated under the Coastal Regulation Zone Notification, 2011 and amendments thereof.

No area of the proposed wetland known as Said Tarvalem Lake falls under the above mentioned Act.

1.3. Zone of influence:

The Zone of influence of the Said Tarvalem Lake admeasuring 715499 sq. mts., includes 50m buffer and the properties surveyed under the following Survey nos.

Taluka/Village	Survey No./Sub – Div. No.	Approximate Area in sq. mts.
Ponda/Shiroda	Buffer zone	
	408/1(P)	1688
	410/1(P)	12500

Total		64890
Grand Total		715499

The map of the wetland boundary of the Said Tarvalem Lake with the Zone of influence is at Annexure I. (For an enlarged map to scale kindly visit <https://gswa.goa.gov.in/>)

1.4. For the purpose of this wetland known as the Said Tarvalem Lake the same is located within the Revenue village of Shiroda.

1.5. For the purpose of this wetland known as the Said Tarvalem Lake the Zone of Influence is located within the Revenue village of Shiroda and Borim.

Schedule II: List of activities prohibited within wetland boundary

1. Conversion for non-wetland uses including encroachment of any kind;
2. Setting up of any industry and expansion of existing industries; with the exception of modernization of existing industries which will not affect the ecological balance of the wetland under consideration.
3. Manufacture and/or handling and/or storage and/or disposal of construction and demolition waste covered under the Construction and Demolition Waste Management Rules, 2016; hazardous substances covered under the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 or the Rules for Manufacture, Use, Import, Export and Storage of Hazardous Micro-organisms Genetically engineered organisms or cells, 1989 or the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008; Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016; electronic waste covered under the E-Waste (Management) Rules, 2016; and other acts and rules as notified by Central Government and State Government applicable to wetlands.
4. Solid waste dumping and plastic waste dumping covered under Municipal Solid Waste Management Rules, 2016;

5. Discharge of untreated wastes, chemical fertilizers, pesticides, effluents and any other chemicals effecting the ecological character of the wetland from industries, cities, towns, villages and any other human settlements and/or activities;

6. Any construction of a permanent nature except for boat jetties within fifty meters (demarcated as a buffer zone on Annexure – I) from the mean high flood level observed in the past ten years calculated from the date of commencement of these rules; and,

7. Poaching and illegal hunting covered Wildlife (Protection) Act, 1972 and amendments thereof;

8. Extraction of soil, mud, rock and sand for commercial purposes.

[Any other activity other than mentioned above if taken up in the surrounding area that will have a direct or an indirect adverse effect on the ecological character of the wetland including water quality the same shall be prohibited.]

Schedule III: List of activities regulated within the boundary of wetland and its zone of influence and for which prior approval of [State Government/ UT Administration/ MoEFCC] is required to be obtained

Activity	Restrictions	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Grazing and wallowing	Regulated	Permitted
Withdrawal of water for irrigation or plantation	Withdrawal of water by community for irrigating and maintaining existing Arecanut plantations and <i>kulaghars</i> by ensuring sustainable measures and without over extraction subject to approval of WRD and GSWA.	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.
Cultivation of crops	Prohibited within the wetland boundary	Existing traditional crop cultivation practices in the low-lying areas within the buffer will be allowed.
Plantation of trees	Prohibited	Planting indigenous trees permitted in buffer and zone of influence, excluding water channel

Approval of the GSWA shall be obtained for any other activity proposed to be conducted other than those mentioned above which may adversely affect the ecological character of the wetland.

Schedule IV: List of activities permitted within the boundary of wetlands/wetlands complex and its zone of influence

Activity	Levels and types not requiring permission	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Religious practices	Existing religious practices will be allowed. Any activity that will adversely affect the ecological character of the wetland will not be allowed.	Permitted. Any activity that will adversely affect the ecological character of the wetland will not be allowed
Fishing	Only hook and line fishing permitted within the wetland	Permitted
Preservation of this water body and maintaining	The boundary of the wetlands may be restored or stabilized	Permitted

quality of its significant catchment area especially no development zone, steep slopes and tree cover areas to ensure sustainability of this water body for future water security of local area

using natural means so as to not disturb the ecological character of the water body.

Deciding best possible wise use of wetland without affecting or impacting its ecological character and services offered presently

Permitted

Permitted

Approval of the GSWA shall be taken for any other activity to be conducted other than those mentioned above.

Annexure I

11-2/GSWA/2022-2023/Pub./898

The draft of the notification, which the Goa State Wetland Authority (GSWA) proposes to issue in exercise of the powers conferred under rule 7 of the Wetlands (Conservation and Management) Rules, 2017, and section 25 read with sub-section (1) sub-section (3) of section 3 and section 23 of the Environment Protection Act, 1986, is hereby published for the information of the persons likely to be concerned or affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Official Gazette containing this notification are made available to the public;

Any person interested in making any objection or suggestion, on the proposals contained in the draft notification may forward the same in writing, for consideration of the Government of Goa within the period so specified to the Member Secretary, Goa State Biodiversity Board, Head of Nodal Agency, Goa State Wetland Authority, or at the email address ms-gswa.goa@gov.in

DRAFT NOTIFICATION

1. Whereas, there exists a water body known as Pali Lake admeasuring an area of 44664 sq. mts. located in village Davorlim - Dicarpale of Salcete Taluka, South Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Pali Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and Management) Rules, 2017, the Department of Environment and Climate Change (DoE & CC) Government of Goa, through GSWA by engaging services of CSIR-NIO had prepared a Brief Document for identifying the Said Pali Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 11th meeting of the GSWA recommended the Government of Goa to notify the Said Pali Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Hence this Draft Notification is issued by the Department of Environment and Climate Change (DoE&CC) Government of Goa in the exercise of powers conferred under Rule 7 of Wetland (Conservation & Management) Rules, 2017, is hereby published for the information of public.

6. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

7. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

8. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, C/o Department of Environment and Climate Change (DoE&CC), O/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email-ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

9. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

10. The Goa State Wetland Authority and the Ministry of Environment, Forest, and Climate Change shall monitor the enforcement of the provisions of this notification.

11. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

Schedule I: Location and Extent of Wetland and its Zone of Influence.

1.1. Wetland

The Said Pali Lake admeasuring an area of 44664 sq. mts., surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in Sq. Mts.
Salcete/Dicarpale-Davorlim	31/1(P)	44664
Total		44664

1.2. Boundary of area already designated under provisions of other Acts and Rules

1.2 (a) Area designated under Indian Forest Act, 1927; Forest (Conservation) Act, 1980; State Forest Act and amendments thereof.

No area of the proposed wetland known as Said Pali Lake falls under the above mentioned Act.

1.2 (b) Area designated under Wildlife (Protection) Act, 1972 and amendments thereof.

No area of the proposed wetland known as Said Pali Lake falls under the above mentioned Act.

1.2 (c) Area designated under the Coastal Regulation Zone Notification, 2011 and amendments thereof.

No area of the proposed wetland known as Said Pali Lake falls under the above mentioned Act.

1.3. Zone of influence:

The Zone of influence of the Said Pali Lake admeasuring 241770 sq. mts., includes 50m buffer and the properties surveyed under the following Survey Nos.

Taluka/Village	Survey No./ /Sub-Div. No.	Approximate Area in sq. mts.	Survey No. /Sub-Div. No.	Approximate Area in sq. mts.
Buffer Zone				
Salcete/ /Dicarpale	25/1(P)	980	25/3(P)	32
	25/4(P)	65	26/1(P)	680
	26/2	150	26/3	225
	26/4(P)	300	26/5(P)	55
	27/1(P)	2994	31/1(P)	42141
	Area Outside Sy. No. (Roads and Nallas)	313	Total	47935
Salcete/Sao	279/1(P)	2032	285/1(P)	1527
Jose De Areal	286/17(P)	885	286/18(P)	1618
Total		6062	Grand Total	53997
Zone of Influence				
	31/1(P)	167951	27/1(P)	26204
	25/1(P)	50	Total	194205
Salcete/ /Dramapur	241/1(P)	8145	Total	8145
Salcete/Sao	285/1(P)	1060	279/1(P)	38360
Jose De Areal				
Total		39420	Grand Total	241770

The map of the wetland boundary of the Said Pali Lake with the Zone of influence is at Annexure I. (For an enlarged map to scale kindly visit <https://gswa.goa.gov.in/>)

1.4. For the purpose of this wetland known as the Said Pali Lake the same is located within the Revenue village of Dicarpale

1.5. For the purpose of this wetland known as the Said Pali Lake the Zone of Influence is located within the Revenue village of Dicarpale, Dramapur and Sao Jose De Areal.

Schedule II: List of activities prohibited within wetland boundary

1. Conversion for non-wetland uses including encroachment of any kind;
2. Setting up of any industry and expansion of existing industries; with the exception of modernization of existing industries which will not affect the ecological balance of the wetland under consideration.
3. Manufacture and/or handling and/or storage and/or disposal of construction and demolition waste covered under the Construction and Demolition Waste Management Rules, 2016; hazardous substances covered under the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 or the Rules for Manufacture, Use, Import, Export and Storage of Hazardous Micro-organisms Genetically engineered organisms or cells, 1989 or the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008; Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016; electronic waste covered under the E-Waste (Management) Rules, 2016; and other acts and rules as notified by Central Government and State Government applicable to wetlands.
4. Solid waste dumping and plastic waste dumping covered under Municipal Solid Waste Management Rules, 2016;
5. Discharge of untreated wastes, chemical fertilizers, pesticides, effluents and any other chemicals effecting the ecological character of the wetland from industries, cities, towns, villages and any other human settlements and/or activities;
6. Any construction of a permanent nature except for boat jetties within fifty meters (demarcated as a buffer zone on Annexure – I) from the mean high flood level observed in the past ten years calculated from the date of commencement of these rules; and,
7. Poaching and illegal hunting covered Wildlife (Protection) Act, 1972 and amendments thereof;
8. Extraction of soil, mud, rock and sand for commercial purposes.

[Any other activity other than mentioned above if taken up in the surrounding area that will have a direct or an indirect adverse effect on the ecological character of the wetland including water quality the same shall be prohibited.]

Schedule III: List of activities regulated within the boundary of wetland and its zone of influence and for which prior approval of [State Government/UT Administration/MoEFCC] is required to be obtained

Activity	Restrictions	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Cultivation of crops	Prohibited within the wetland boundary	Existing traditional crop cultivation practices in the low-lying areas within the buffer will be allowed.
Plantation of trees	Prohibited	Planting indigenous trees Permitted in buffer and zone of influence, excluding water channel
Fishing	Only hook and line fishing Permitted within the wetland	Permitted
Grazing and wallowing	Regulated	Permitted

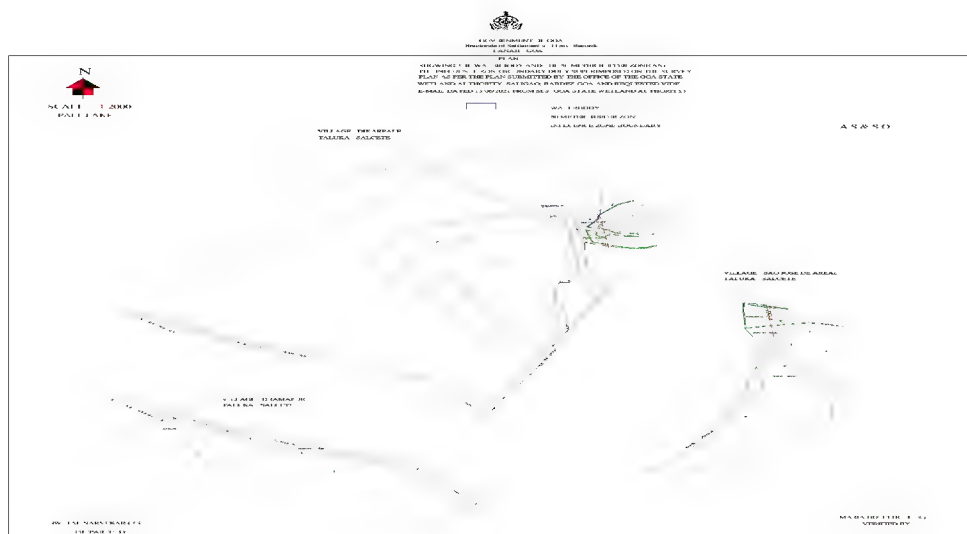

Approval of the GSWA shall be obtained for any other activity proposed to be conducted other than those mentioned above which may adversely affect the ecological character of the wetland.

Schedule IV: List of activities permitted within the boundary of wetland and its zone of influence

Activity	Levels and types not requiring permission	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Withdrawal of water	Withdrawal of water by community by ensuring sustainable measures and without over-extraction subject to the approval of WRD and GSWA	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.
Religious practices	Existing religious practices will be allowed. Any activity that will adversely affect the ecological character of the wetland will not be allowed.	Permitted Any activity that will adversely affect the ecological character of the wetland will not be allowed
Preservation of this water body and maintaining quality of its significant catchment area especially no development zone, steep slopes and tree cover areas to ensure sustainability of this water body for future water security of local area	The boundary of the wetlands may be restored or stabilized using natural means so as to not disturb the ecological character of the water body.	Permitted
Deciding best possible wise use of wetland without affecting or impacting its ecological character and services offered presently	Permitted	Permitted

Approval of the GSWA shall be taken for any other activity to be conducted other than those mentioned above.

Annexure I

11-2/GSWA/2022-2023/Pub./899

The draft of the notification, which the Goa State Wetland Authority (GSWA) proposes to issue in exercise of the powers conferred under rule 7 of the Wetlands (Conservation and Management) Rules, 2017, and section 25 read with sub-section (1) sub-section (3) of section 3 and section 23 of the Environment Protection Act, 1986, is hereby published for the information of the persons likely to be concerned or affected thereby; and notice is hereby given that the said draft notification shall be taken into consideration on or after the expiry of a period of sixty days from the date on which copies of the Official Gazette containing this notification are made available to the public;

Any person interested in making any objection or suggestion, on the proposals contained in the draft notification may forward the same in writing, for consideration of the Government of Goa within the period so specified to the Member Secretary, Goa State Biodiversity Board, Head of Nodal Agency, Goa State Wetland Authority, or at the email address msgswa.goa@gov.in

DRAFT NOTIFICATION

1. Whereas, there exists a water body known as Sulabhat Lake admeasuring an area of 54843 sq. mts. located in village Agassaim of Tiswadi Taluka, North Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Sulabhat Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and Management) Rules, 2017, the Department of Environment and Climate Change (DoE&CC) Government of Goa, through GSWA by engaging services of CSIR-NIO had prepared a Brief Document for identifying the Said Sulabhat Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 11th meeting of the GSWA recommended the Government of Goa to notify the Said Sulabhat Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Hence this Draft Notification is issued by the Department of Environment and Climate Change (DoE&CC) Government of Goa in the exercise of powers conferred under Rule 7 of Wetland (Conservation & Management) Rules, 2017, is hereby published for the information of the public.

6. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

7. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

8. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of the State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, c/o

Department of Environment and Climate Change (DoE&CC), o/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email—ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

9. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed in para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

10. The Goa State Wetland Authority and the Ministry of Environment, Forest, and Climate Change shall monitor the enforcement of the provisions of this notification.

11. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

The map of the wetland boundary of the Said Udden Lake with the Zone of influence is at Annexure I. (For an enlarged map to scale kindly visit <https://gswa.goa.gov.in/>)

1.4. For the purpose of this wetland known as the Said Udden Lake the same is located within the Revenue village of Shiroda.

1.5. For the purpose of this wetland known as the Said Udden Lake the Zone of Influence is located within the Revenue village of Shiroda.

Schedule II: List of activities prohibited within wetland boundary

1. Conversion for non-wetland uses including encroachment of any kind;
2. Setting up of any industry and expansion of existing industries; with the exception of modernization of existing industries which will not affect the ecological balance of the wetland under consideration.
3. Manufacture and/or handling and/or storage and/or disposal of construction and demolition waste covered under the Construction and Demolition Waste Management Rules, 2016; hazardous substances covered under the Manufacture, Storage and Import of Hazardous Chemical Rules, 1989 or the Rules for Manufacture, Use, Import, Export and Storage of Hazardous Micro-organisms Genetically engineered organisms or cells, 1989 or the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008; Hazardous and Other Wastes (Management, Handling and Transboundary Movement) Rules, 2016; electronic waste covered under the E-Waste (Management) Rules, 2016; and other acts and rules as notified by Central Government and State Government applicable to wetlands.
4. Solid waste dumping and plastic waste dumping covered under Municipal Solid Waste Management Rules, 2016;
5. Discharge of untreated wastes, chemical fertilizers, pesticides, effluents and any other chemicals effecting the ecological character of the wetland from industries, cities, towns, villages and any other human settlements and/or activities;

6. Any construction of a permanent nature except for boat jetties within fifty meters (demarcated as a buffer zone on Annexure-I) from the mean high flood level observed in the past ten years calculated from the date of commencement of these rules; and,

7. Poaching and illegal hunting covered Wildlife (Protection) Act, 1972 and amendments thereof;

8. Extraction of soil, mud, rock and sand for commercial purposes.

[Any other activity other than mentioned above if taken up in the surrounding area that will have a direct or an indirect adverse effect on the ecological character of the wetland including water quality the same shall be prohibited.]

Schedule III: List of activities regulated within the boundary of wetland and its zone of influence and for which prior approval of [State Government/UT Administration/MoEFCC] is required to be obtained

Activity	Restrictions	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Grazing and wallowing	Regulated	Permitted
Cultivation of crops	Prohibited within the wetland boundary	Existing traditional crop cultivation practices in the low-lying areas within the buffer will be allowed.
Plantation of trees	Prohibited	Planting indigenous trees. Permitted in buffer and zone of influence, excluding water channel
Withdrawal of water for Irrigation or plantation	Withdrawal of water by community for irrigation and maintaining existing Arecanut plantations and kulaghars by ensuring sustainable measures and without over-extraction subject to the approval of WRD and GSWA.	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.

Approval of the GSWA shall be obtained for any other activity proposed to be conducted other than those mentioned above which may adversely affect the ecological character of the wetland.

Schedule IV: List of activities permitted within the boundary of wetlands wetlands complex and its zone of influence

Activity	Levels and types not requiring permission	
	Within the boundary of wetland as shown in Annexure I	Within the zone of influence as shown in Annexure I
Withdrawal of water	Withdrawal of water by community by ensuring sustainable measures and without over-extraction subject to the approval of WRD and GSWA	Permitted in consultation with local Biodiversity Management Committee and local Village Panchayat. Need to ensure no contamination of any type is allowed which serves as a source of degrading quality and ecological character of wetland.
Religious practices	Existing religious practices will be allowed. Any activity that will adversely affect the ecological character of the wetland will not be allowed	Permitted. Any activity that will adversely affect the ecological character of the wetland will not be allowed

Preservation of this water body and maintaining quality of its significant catchment area especially no development zone, steep slopes and tree cover areas to ensure sustainability of this water body for future water security of local area

The boundary of the wetlands may be restored or stabilized using natural means so as to not disturb the ecological character of the water body

Permitted

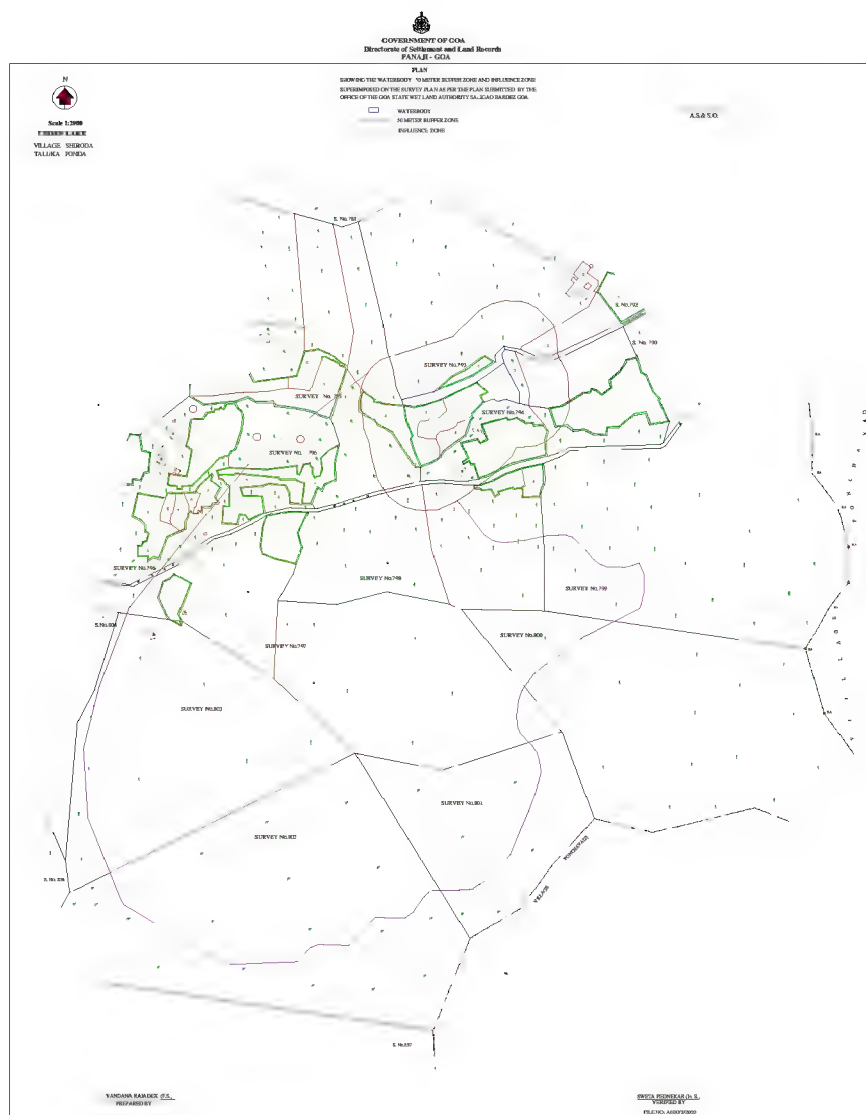

Deciding best possible wise use of wetland without affecting or impacting its ecological character and services offered presently

Permitted

Permitted

Approval of the GSWA shall be taken for any other activity to be conducted other than those mentioned above.

Annexure I

11-2/GSWA/2022-2023/Pub./901

1. Whereas, there exists a water body known as Bondvol Lake admeasuring an area of 75894 sq. mts. located in village Calapur of Tiswadi Taluka, North Goa district, State of Goa, which is considered to be critically significant for its ecosystem services and biodiversity values for the local communities and society at large (hereinafter referred to as the "Said Bondvol Lake"); which is more particularly described in Schedule I herein under;

2. And whereas, it is considered that for sustaining these values, the ecological character of the wetland ecosystem needs to be maintained by regulating developmental activities within the wetland as well as within its zone of influence;

3. And whereas, in terms of sub-rule (1) of rule 7 of the Wetlands (Conservation and Management) Rules, 2017, the Department of Environment and Climate Change (DoE&CC) Government of Goa, through GSBB had prepared a Brief Document for identifying the said Bondvol Lake as wetland;

4. And whereas, based on the Brief Document Goa State Wetland Authority (GSWA) in the 6th meeting of the GSWA recommended the Government of Goa to notify the said Bondvol Lake as a wetland under the provisions of Wetlands (Conservation and Management) Rules, 2017.

5. Subsequently, the Government of Goa accepted the recommendation to declare the said wetland for being covered under the provisions of Wetlands (Conservation and Management) Rules, 2017 and the draft of the notification was published in the Official Gazette of Goa vide notification No. GSWA/2019-20/Bondvol Notification/026/085 dated 07-05-2020 and corrigendum No. GSWA/2019-20/Bondvol Notification/026/085/568 dated 10-09-2020 for the general public with a view of inviting objections in respect thereof as required under sub-rule (6) of rule 5 of Wetland (Conservation and Management) Rules, 2017 hereinafter referred to as the said rules.

6. And whereas, after considering the objections, grievances, and suggestions received, from the general public and concerned stakeholders as per rules, and the same has been incorporated & the necessary revisions in the notification are ensured. However, due to further revisions in the area to be notified in the draft notified wetland, it was felt necessary by GSWA in its 8th GSWA meeting to renotify the draft notification of Bondvol Lake with a view of inviting objections in respect thereof as required under sub-rule (6) of rule 5 of the said rule pertaining to the areas which are added and/or revised in the previous notification due to the revisions.

7. And whereas the time for receiving objections is now over in the fixed duration the objections of the general public have been heard and decided, according to the said rules.;

8. Hence this Notification, is issued by the Department of Environment and Climate Change (DoE&CC), Government of Goa, in the exercise of powers conferred under Rule 7 of Wetland (Conservation and Management) Rules, 2017 read with Environment (Protection) Act, 1986 (29 of 1986), is hereby published for the information of persons.;

9. The extent of the wetland and its zone of influence is described in Schedule I of this notification;

10. Activities prohibited within the wetland and its zone of influence are listed in Schedule II of this notification. Such prohibitions shall not apply for areas designated under other Acts

and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

11. Activities regulated within the wetland and their zones of influence, i.e. permitted only with permission of State Government are listed in Schedule III of this notification. Request for permissions can be made to the Member Secretary, Goa State Wetland Authority, C/o Department of Environment and Climate Change (DoE&CC), O/o Goa State Biodiversity Board, Opposite Saligao Seminary, Saligao, Bardez, Goa. 403511, or at email – ms-gswa.goa@gov.in. Such regulations shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

12. Activities permitted within the wetland and its zone of influence are listed in Schedule IV of this notification. Such permissions shall not apply for areas designated under other Acts and Rules and listed at para 1.2 (a), (b), and (c) of Schedule I. Relevant provisions of respective Acts and Rules shall apply in such areas.

13. The Goa State Wetland Authority and the Ministry of Environment, Forest and Climate Change shall monitor the enforcement of the provisions of this notification.

14. All the pre-existing ownership rights and privileges pertaining to identified and notified wetlands will be maintained. Further, no pre-existing ownership rights or property will be transferred to GSWA as a part of this notification. The status quo of the existing ownership of the notified property will be maintained.

By order and in the name of the Governor of Goa.

Dasharath M. Redkar, Director (Environment & Climate Change).

Panaji, 14th October, 2022.

Schedule I: Location and Extent of Wetland and its Zone of Influence

1.1. Wetland

The Said Bondvol Lake admeasuring an area of 75894 sq. mts., surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in sq. mts.
Tiswadi/Calapur	143/1	54544
	144/1	21350
Total		75894

1.2. Boundary of area already designated under provisions of other Acts and Rules

1.2 (a) Area designated under Indian Forest Act, 1927; Forest (Conservation) Act, 1980; State Forest Act and amendments thereof.

No area of the proposed wetland known as Said Bondvol Lake falls under the above mentioned Act.

1.2 (b) Area designated under Wildlife (Protection) Act, 1972 and amendments thereof.

No area of the proposed wetland known as Said Bondvol Lake falls under the above mentioned Act.

1.2 (c) Area designated under the Coastal Regulation Zone Notification, 2011 and amendments thereof.

No area of the proposed wetland known as Said Bondvol Lake falls under the above mentioned Act.

1.3. Zone of influence:

The Zone of influence of the Said Bondvol Lake admeasuring 114536 sq. mts., includes the properties surveyed under the following Survey Nos.

Taluka/Village	Survey No./Sub-Div. No.	Approximate Area in sq. mts.
Tiswadi/Calapur	Buffer Zone	
	84/1(P)	797
	85/1(P)	5324

Chief Reporter	1	Group B	7(1) Rs.44,900/-
Section Officer	10	Group B	7(1) Rs.44,900/-

By order and in the name of the Governor of Goa.

Namrata Ulman, Secretary Legislature.
Porvorim, 18th October, 2022.

Department of Social Welfare
Directorate of Social Welfare

Notification

83-1-2020-21/SDB/4032

Amendment to Scheme "Mukhyamantri Dev Darshan Yatra Yojana"

Whereas vide notification No. 83-1-2020-21/SDB/4032 dated 9-11-2021 and published in the Official Gazette, Series I No. 33 dated 11-11-2021 the Government of Goa framed the scheme "Mukhyamantri Dev Darshan Yatra Yojana".

And whereas the Government has decided to amend the said scheme.

Therefore, the Government of Goa, hereby amend the said scheme as follows, namely:-

a) To amend clause 5 'a' of the scheme to reduce the age of applicant from 60 years to 50 years and to add words "One attendant shall be entitled to accompany the applicant free of cost".

b) To delete clause 5 'b' and 5 'c' of the scheme.

c) To amend the clause 'd' of the scheme by deleting the words "and the same shall be certified by doctor from Health Department, Government of Goa not below the rank of Chief Medical Officer or Health Officer in prescribed format (Annexure-'C') for interstate and (Annexure-'E') for within state from the concerned area where the applicant resides."

d) To delete clause 5 'e' & 5 'f' of the scheme.

e) To delete clause 6 'a', 6 'b', 6 'c', 6 'f' and 6 'g' of the notified scheme.

f) In clause 7 para (i) the word senior citizen shall be substituted as "Resident of Goa". In para (iv) the words senior citizens shall be substituted as "persons".

This issues with the approval of LIXth Cabinet Meeting of the Council of Minutes held on 8th December, 2021.

This notification shall come into force with effect from the date of publication in the Official Gazette.

By order and in the name of Governor of Goa.

Sandhya Kamat, Director of Social Welfare & ex officio Addl. Secretary.

Panaji, 18th October, 2022.

Memorandum of Understanding

THIS MEMORANDUM OF UNDERSTANDING is made on 11th day of November, 2021 at Goa.

BETWEEN

Social Welfare Department, Government of Goa, Secretariat, Porvorim-Goa. Hereinafter called Directorate of Social Welfare, Government of Goa (which expression unless excluded by or repugnant to the context shall include the successors-in-office and assigns)
FIRST PART.

AND

Indian Railway Catering and Tourism Corporation Limited, West Zone office at IInd Floor, New Administrative building, Central Railway, CST, Mumbai-400001 having hereinafter referred as 'IRCTC' (which expression unless excluded by or repugnant to the context shall include the successors-in-office and assigns) OTHER PART.

Whereas Directorate of Social Welfare, Government of Goa a State Government under the State of GOA will coordinate on behalf of the state Government the pilgrim tour for the senior citizens of Goa under scheme of "Mukhyamantri Dev Darshan Yatra Yojana". Object of the scheme is to arrange periodically pilgrimage/religious places tour for the senior citizens of all communities residing in Goa. IRCTC Ltd. has approached Directorate of Social Welfare, Government of Goa for successfully Planning & Operating the Dev Darshan under this scheme complete "Tour Package" and allied activities shall be taken care of by the IRCTC.

And whereas Indian Railways Catering and Tourism Corporation Ltd. (IRCTC): IRCTC Ltd. is a Government of India enterprise providing Catering and Tourism services under Ministry of Railways and has vast expertise and experience in the field for organizing various tours packages. IRCTC is a single window interface for providing complete Travel & Tour solution for various customer segments and also taking over catering on trains and stations has agreed to extend its services for the "Mukhyamantri Dev Darshan Yatra Yojana" under the "Religious Tour Package" which shall cover FTR/Chartered train/Coach transportation from the originating Station, Enroute catering service, road transportation (by buses) lodging arrangements and connected activities etc., till Drop back at the Originating Station.

Whereas, Directorate of Social Welfare, Government of Goa & IRCTC shall hereinafter be collectively referred to as "parties and individually as party"

Now therefore under this MOU it is agreed by and between the Directorate of Social Welfare, Government of Goa & IRCTC (parties), that IRCTC would operate complete tour package under the "Mukhyamantri Dev Darshan Yatra Yojana" under the Terms and Conditions set herein as follows:

1. Obligation of Directorate of Social Welfare, Government of Goa.

i. Directorate of Social Welfare, Government of Goa will provide the list of religious destinations to IRCTC at least 90 days in advance for planning of tour itinerary and train schedule.

ii. Directorate of Social Welfare, Government of Goa shall channelise through the State Government the funds to be paid for the said tours to IRCTC, on intimation by the IRCTC for organizing each religious "Tours Package" as per prices quoted and negotiated and agreed between the parties.

iii. Directorate of Social Welfare, Government of Goa shall ensure that the payments for the tours are arranged well in advance of the actual tour date, as IRCTC has to make advance payments to the concerned Zonal Railways.

iv. Each tour shall be arranged through chartered train for the maximum 1000 passengers/tourists and the minimum guarantee for each train will be 750 tourists for which 100% payment will be made by Directorate of Social Welfare, Government of Goa. Railways charge the full amount for total capacity of a chartered train irrespective of actual No. of passengers travelling. Therefore, to meet out the costing, in case if No. of passengers is less than 1000 persons,

Directorate of Social Welfare, Government of Goa will be responsible to pay the tour price as per below formula-

Tourists booked	Tour price payable
Less than or equal to 750 tourists	100% payment of 750 tourists + 50% payment of (1000-750) tourist.
More than 750 tourists	100% payment of actual tourists + 50% payment of (1000-Actual) tourists

v. This payment condition shall be valid only if the passengers information furnished in advance i.e. 7 days before the date of departure to IRCTC in writing (excluding day of journey). Otherwise charges for full capacity i.e. 1000 passengers will be payable.

vi. Full Tariff Rate Trains Cancellation charges levied by Railway are as below.

a. 10% of the security deposit will be charged as cancellation charges if the requisition of special train/coaches is cancelled two days in advance before the scheduled day for journey or earlier.

b. 25% of the chargeable fare is charged as cancellation charges, if the cancellation is done one day advance (excluding the day of journey) upto 4 hours before the scheduled departure of the train.

c. 50% of the chargeable fare is charged as cancellation charges, if the cancellation is done within 4 hours of the scheduled departure of the train or afterwards.

d. No charges will be levied in case the FTR request is found unfeasible/ cancelled on the Railway account. Full deposit will be refunded in such cases.

The extant cancellation Policy of the Ministry of Railways shall be applicable. Change in the policy during the currency of MOU shall be applicable and apprised to the State.

vii. The pilgrims shall travel (at their own cost or if desired so the cost to be borne & movements coordinated by State Government of Goa) from their native place/

residence to the originating station of train journey i.e. tour starting point for boarding in the chartered train coordinated by DIRECTORATE OF SOCIAL WELFARE, GOVERNMENT OF GOA. IRCTC shall take over the passengers from the Originating station & drop them back at the originating station. The passengers shall travel back to their Residence/Native (at their own cost or if desired so the cost to be borne & movements coordinated by State Government of Goa). IRCTC services shall start once the yatri Boards the Chartered Train till the time he detrains back at the originating station after conclusion of the Tour.

viii. The concerned designated Health authorities of the state shall certify the fitness of the tour passengers and ensure the medical fitness checkup of each passenger through State doctors before the medical fitness checkup of each passenger through State Government doctors before the commencement of each tour journey coordinated by Directorate of Social Welfare, Government of Goa.

ix. Directorate of Social Welfare, Government of Goa shall also provide complete list of the passengers on the given format at least 7 days in advance from the scheduled date of each Tour Package so that necessary timely action is taken by IRCTC. On receipt of Train Movement order from Railways, IRCTC will issue instructions such as departure date with reporting time at stations, departure place, passengers list etc. to Directorate of Social Welfare, Government of Goa, so that it may be informed to all the Pilgrims accordingly for their journey through the District authorities.

x. The Government of Goa shall arrange one Doctor/Junior Consultant plus one Assistant (male/female as suited) with adequate first aid box/arrangement in the train as part of passenger list.

xi. If any casualty takes place during the course of tour, Government of Goa shall

incur the additional cost like medical facilities including arrangements of ambulance, financial medical assistance at hospital and in case of death arrangement of sending dead body to their respective native or make arrangements of cremation at the place as per the request of relatives. Additional cost incurred due to the above services may be directly dealt by Government of Goa or IRCTC will take a view and put up a certified bill in GST format on case to case basis for reimbursement.

xii. Due to operational emergencies/exigencies such as late running of trains leading to additional catering service, change of accommodation if necessary, accidents/derailments, and first-aid to be provided to tourists, any increase in number of days for itineraries, the extra amount on the day basis or case to case basis shall be payable by Directorate of Social Welfare, Government of Goa to IRCTC.

2. Obligation of IRCTC.—

i. IRCTC will prepare the tour itinerary covering the religious destinations provided by Directorate of Social Welfare, Government of Goa and submit the draft itinerary to Directorate of Social Welfare, Government of Goa. Thereafter Directorate of Social Welfare, Government of Goa & IRCTC shall mutually finalize the tours to be operated.

ii. After finalization of itinerary, IRCTC will submit the Tour Package Price as per Annexure-D for each tour package to Directorate of Social Welfare, Government of Goa for approval. The pricing of the tour shall be variable depending upon FTR train cost and the services included in tour for budget class travelers during the tours and as per the inclusions & exclusions mentioned in Annexure 'A'.

iii. The tour prices for each tour shall be valid for six months only. Thereafter considering inflation in market, revision

in Railway fare etc., the tour prices for each tour shall be reviewed/revised with the mutual consent of parties i.e. Directorate of Social Welfare, Government of Goa & IRCTC and finalized for further six months.

iv. IRCTC will arrange the train transport through chartering of special trains on FTR consisting of 18 coaches (15 sleeper, 01 pantry and 02 luggage coach) or CHARTER Coach which can be attached in scheduled trains for different tour packages on various dates as per the availability of train and coaches with Indian Railway.

v. IRCTC will provide the date of the tour departure based on availability of train/coaches with concern Railways and Directorate of Social Welfare, Government of Goa will finalize the dates with mutual consent. The availability of the train and coaches will be the sole decision of coaching Department of Railways. IRCTC will make all efforts for arrangement of train/coach, however the decision of Railways on availability of trains/coach will be final and IRCTC will not be held liable on this ground in any case.

vi. IRCTC may appoint service provider(s) to provide the required services in tour package, such as onboard and off-board food/meals, road transportation, budget accommodation, tour escorts and other value added services as per terms and condition mutually agreed upon between "IRCTC and Service Providers". Directorate of Social Welfare, Government of Goa shall have no responsibility or liability vis-a-vis the service provider appointed by IRCTC if any.

vii. An official of IRCTC will accompany the tour end to end. The representative of IRCTC/authorized Service Provider will be responsible for coordinating boarding/detraining of passengers in train/Road vehicles at

various entraining points with the local Nominated State Coordinators.

viii. IRCTC will be responsible for providing the meals as per standard menu detailed in the inclusions: morning tea, breakfast, lunch, evening tea, (only during train journey), portable drinking water and dinner will be provided. Only vegetarian meals will be served during the tour.

ix. IRCTC will provide non AC buses with the capacity of 45 to 55 passengers in each bus for visit to the places covered in the tours. Buses will be provided up to access point or parking places. However passengers may travel from bus parking up to the religious shrine by walk or by their own arrangement. If AC services are required, rates shall be shared accordingly.

x. IRCTC will provide the non AC accommodation for night stay to the passengers in neat and clean Dharmashala /Dormitory /Hotels on multi sharing basis at the places where the night halt is mentioned in the itinerary finalized mutually by IRCTC and Directorate of Social Welfare, Government of Goa.

xi. IRCTC will be responsible for providing the sufficient numbers of bathrooms and toilets for wash and change to the passengers in neat and clean Dharmashala/Hotels at the places where the day visit is mentioned in the itinerary as finalized mutually between the parties.

xii. IRCTC will arrange the tour escorts, one per coach for taking care of the passengers to ensure the boarding and deboarding in buses/coaches, counting, providing information about the places, services and anything required from time to time.

xiii. IRCTC will provide the unarmed security guards one in each train coach and adequate No. of housekeeping staff

with material for regular cleaning in the train. In case of any security problem if required the assistance from railway protection force (RPF) on en-route stations may also be provided.

xiv. Public addressing system will also be provided in the train for regular announcement of information to the passengers.

xv. IRCTC will provide the first box for the train and in case of any emergency coordinate the assistance from railway doctors available at nearest feasible en-route stations, if so recommended by the state doctor on Board.

xvii. IRCTC will also provide the Accidental Insurance of the passengers during the tour.

xviii. Any modification in tour programme within stipulated time & cost may be done as and where possible and accepted by IRCTC.

xix. Directorate of Social Welfare, Government of Goa shall not arrange security persons and escorts to travel on the Train.

xx. Directorate of Social Welfare, Government of Goa shall not provide any of its official (except for the Nominated Coordinators from each Boarding Point as a part of the passenger list to coordinate with the IRCTC Tour Manager) on any trip as the representative of the IRCTC will coordinate for any requirement during the tour.

3. *Annexures.*— Attached with this MOU may be referred for various items covered under Tour Package Price, Tentative Meal/Food Menu, Others Items and Itinerary.

4. Subsequent changes/amendments/modifications/additions/alterations as deemed fit in the MOU may be affected upon mutual consultations and consent by the competent authorities of the parties in writing and that shall be part of this MOU.

5. This agreement shall remain in force from the day of signing of this MOU and shall remain valid for a period of THREE YEAR and may be extended FOR FURTHER TWO YEARS with the written mutual consent of parties.

6. *Payment Mode.*—

i. The payment of proposed Tours Package of first 03 months shall be made after signing of the MoU/finalization of tour prices/departure dates whichever is earlier.

ii. At the time of booking of Chartered Train/coach under "Each Tour Package", normally SIX MONTH in advance, the mandatory refundable Security Deposit as required by the Railway for booking of the FTR trains shall be paid by Directorate of Social Welfare, Government of Goa on the prevailing rates fixed by Railway/IRCTC, presently Rs. 50000/- per coach and approximately Rs. 9 lakh for 18 coaches (minimum chargeable composition). Any cancellation of booked train shall be payable by the Directorate of Social Welfare, Government of Goa as per Railway Rules (Copy of Railway rules attached). Even postponements of trains are treated as cancellation.

iii. The payment shall be made by Government of Goa to IRCTC on a quarterly basis i.e. the payment of the tours proposed for next three months shall be made in advance prior to the trip i.e. three months in advance.

iv. The bill for any extra cost (any additional services like medical/emergency care expenses over and above first aid, welcome arrangement of passengers, cost of folder/kit for all passengers, AC services in transport etc. on demand) incurred during tour shall be submitted by IRCTC and Directorate of Social Welfare, Government of Goa shall make the payment within 15 days thereafter.

v. As per the tour itinerary cost mentioned at Schedule I or Schedule II itinerary, the tour of pilgrimage selected

by Goa Government and conveyed to IRCTC through Directorate of Social Welfare, Government of Goa will be the actual cost of per tour conducted eg. Velankini and Tirupati tentative cost is 1.55 (1 One Crore fifty five lakhs). The amount paid to IRCTC as booking advance is Rs. 9.00 (Nine Lakhs).

vi. Excess amount, after deducting the actual cost of per tour from the booking advance amount if remains will be refunded by IRCTC to Directorate of Social Welfare, Government of Goa after the completion of the each quarter.

7. *Force Majeure.*—

For the purpose of MOU, "FORCE MAJEURE" means any unforeseen event directly interfering with the service during the currency of the MOU such as war, insurrection, restraint imposed by the Government, act of legislature or other authority, explosion, strike, accident, riot, lockout, act of public enemy, act of God, sabotage, pandemic etc. which is beyond the reasonable control of a party and which make a party's performance of its obligations under the contract impossible or so impractical as to be considered impossible or so impractical as to be considered impossible under the circumstances.

8. *Disputes Resolution, Law Jurisdiction.*—

Any dispute, differences or controversy of whatever nature between the parties howsoever arising under out of or in relation to this MOU, the dispute shall in the first instance be attempted to be resolved amicably through discussions/negotiations/through Joint Meeting between the authorized officers of the parties.

a. Any of the terms and conditions of this MOU may be relaxed or modified with the mutual consent of both the parties. In case of any matter which is not expressly covered by this MOU, the same shall be resolved mutually between the Parties.

In the event of any dispute or difference between the parties hereto, such dispute or difference shall be resolved amicably by

mutual consultation between the parties hereto. If such resolution is not possible within 30 days from its dispute then the unresolved dispute or difference shall be referred to Arbitration of a Sole Arbitrator to be appointed with consent of both the parties and as per the Arbitration. The Arbitration and Conciliation Act, 1996 whose decision in this regard shall be binding on both the Parties. The Arbitration and Conciliation Act, 1996 shall be applicable to the Arbitration under this clause. Venue of the arbitration proceeding shall be at Goa and shall be conducted in English only.

b. In case the award of the arbitrator, nominated by the IRCTC is referred to the court of law, the same shall be subject to Goa jurisdiction.

c. This MOU shall be interpreted and constructed in accordance with Indian laws and courts and adjudicatory authorities in Goa, India only shall have exclusive jurisdiction over matters arising out of this agreement.

9. *Liability and Indemnity.*—

Both parties agrees to defend, indemnify and hold harmless against each other, their respective officers, directors, employees and agents and its associate companies from and against any and all claims, actions, damages, expenses, costs and other liabilities actually incurred by either of the party arising as result of any negligence, breach of MOU or any other wrongful act or default on the part of other party, its employees, agents, representatives.

10. *Termination Clause.*— a. In case, any party to this MOU desires to discontinue with the arrangements, THREE MONTHS written NOTICE will have to be given from either side to other side; subject to settlement of accounts of other parties.

b. All letters/communications etc. between the parties shall either be sent by registered post, courier, fax, hand delivery and shall be sent at the address mentioned herein below. Each notice, request or communication shall

be deemed to be effective against the party it is addressed to.
